Dear parents/carers,

We will be continuing to run after school clubs again for the terms 5 and 6. The clubs will run from 3:30pm until 4:30pm. If you would like your child to join a club please select one that you think your child may like to go to by completing the appropriate form below.

We will then collect the forms and give back to you a permission slip for you to complete to allow your child to stay on the school premises after school. There is a limit on the numbers joining some of the clubs due to resources and space so if oversubscribed the teachers will choose the children by random selection based on the number of children applied and the number of clubs they have applied for and whether or not they got into the same club previously so that everyone gets an equal chance.

The clubs on offer are below

The sports club run on Mondays after school led by coaches from Greenacre School in preparation for the Medway Mini Youth Games, will also continue with the same children. Training will still continue for our school football team.

All school led clubs are completely free but we do ask that you collect your children promptly as the teachers need to be free to continue with their preparation for the next day.

**These clubs will all begin from Monday 8<sup>th</sup> May and will run right through to the end of the academic year.**

Please complete the forms below and return to your child's teacher, who will then pass them onto their relevant colleagues facilitating the club. Please complete a separate form for each club you would like your child to join.
