

ST. PAUL AND ST. PETER – YEAR 6

CHRISTMAS TOPIC HOMEWORK

Choose a famous, or not so famous, scientist and complete a research project about their life and work. You can present your research as you see fit but you may want to consider the following points –

- Who were they?
- Where were they from?
- What interesting information do we know about them?
- What was their contribution to science?
- What impact did they have on the way we live today?

What you include is up to you...don't forget to check out www.stmichaelsrcp.org and the KS2 Writing and Maths at Home pages in particular for more festive homework!

Mr. Mackle and Mrs. Collins
