Dear parent/carers,

Child's name: -----

Class _____

At St Michael's we sometimes take photographs of pupils. We use these photos in the school's prospectus, on the school's website and on display boards around school, on twitter and in the local press.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

I am happy for photos of my child to be appear in the local press.

I am **NOT** happy for the school to take or use photos of my child.

If you change your mind at any time, you can let us know by emailing or by calling the school using the information at the top of this letter, or just popping in to the school office.

If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-ask your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

Yours sincerely

Mrs K Sexton
